

## **Statement of Principles**

The Pregnancy Support Group is an outreach ministry of Jesus Christ through His church. Therefore, PSG, embodied in its volunteers, is committed to presenting the Gospel of our Lord to women with crisis pregnancies.

We are committed to integrity in dealing with clients, earning their trust, and providing promised information and services. PSG denounces any form of deception in its corporate advertising or individual conversation.

We are committed to assisting women to carry to term by providing emotional support and practical assistance. Through the provision of God's people and the community at large, women may face the future with hope and plan constructively for themselves and their babies.

PSG does not discriminate in providing services because of race, creed, color, national origin, age or marital status.

We are committed to creating an awareness within the local community of the needs of pregnant women and of the fact that abortion only compounds human need rather than resolving it.
