THE PREGNANCY SUPPORT GROUP OF WOODLAND

Committed to Providing Positive Alternatives to Abortion

Merry Christmas from PSG

By Carol Duty, PSG Director

Merry Christmas...aren't we blessed in this country to be able to celebrate such a special occasion as the birth of our Lord and Savior?

There are really no words to describe how humbling it is to know that Jesus intentionally came to this earth to save us. That God sent His one and only son to eventually die to save us all from our sins.

Jesus came as an unplanned pregnancy. His parents had no idea what God had in mind when they were spoken to by the angel that told them of the things to come. But, not knowing, they still acted in obedience to their God and because of this obedient act we all have a hope in Emanuel-the baby Jesus_ small, frail, and innocent as any baby but with a purpose greater than anything in the whole world then and now.

With the hope that came from that one precious baby we come into Pregnancy Support Group each day of the week ready to share the truth in love with the young ladies coming to us for help.

This year, we welcomed 129 babies into this world with an outstretched hand to their parents by way of parenting classes, pregnancy preparedness and life skills and a men's program; 46% of these mommies are in some capacity, still involved with us in our programs.

We must realize that a large number of these girls came in under pressure of an unplanned pregnancy not sure what they were going to do and who they would have in their corner if they decided to keep their baby. We have a huge opportunity to work with them throughout their pregnancy and beyond because we are able to give them an environment where they can relax and experience the joy at the life of their babies and not focus on the hardships. In these moments of teaching we can change the burden into hope not through us but by becoming the hands and feet of God, we are able to truly take part in redirecting their lives.

What a powerful reflection of the Christmas season; the true Christmas spirit of loving others as God loves us. Day to day, moment by moment Pregnancy Support Group is ready to be that reflection. We will not grow weary of doing what is good. Thank you for standing with us as we reflect the love of our savior whom was once a baby Himself with a very certain future of showing not just the greatest reflection of love but the actual act of love itself and dying on the cross for us.

“For a child will be born to us, a son will be given to us; and the government will rest on His shoulders; and His name will be called Wonderful Counselor, Mighty God, Eternal Father, Prince of Peace. There will be no end to the increase of His government or of peace; on the throne of David and over his kingdom, to establish it and to uphold it with justice and righteousness From then on and forever more. The zeal of the Lord of hosts will accomplish this.” Isaiah 9:6-9

Let’s not only enjoy all the fun and excitement of this season but thank our God and Savior for letting us know what love really looks like.

Planned Parenthood Tweets That It “Dreams of a Magical Land Where Abortion is Free and Plentiful”

By Steven Ertelt, Found on www.lifenews.com

The Planned Parenthood abortion business took the veil off of its pro-abortion agenda for just a minute on Twitter yesterday — and then promptly put it right back on.

Planned Parenthood’s abortion agenda is almost always hidden well behind the clock of “women’s health” and “women’s rights,” but the world got a true glimpse of its abortion mantra when Planned Parenthood sent out a tweet yesterday. “Imagine “life in a magical land where abortions and birth control are free and plentiful” This place exists,” it wrote. See below:

The link goes to an article written by a woman in England who lauds the European nation for using taxpayer dollars to pay for abortions. She’s glad that women can get as many abortions as they want. Rep. Diane Black, a leading pro-life member of Congress, told LifeNews that Planned Parenthood revealed who it really is: an abortion business.

“With a single tweet, Planned Parenthood accidentally told us the truth. They effectively admitted that the abortion lobby’s mantra of ‘safe, legal, and rare’ abortion is a lie and that the organization’s real mission is to encourage more elective abortions funded off the backs of taxpayers. These statements are painful to hear and offensive to all Americans of conscience, but what else would we expect from an organization that calls the destruction of an unborn life ‘healthcare’ and that allows aborted babies to be disposed of in landfills?” she told LifeNews.

Black continued: ‘We must not stand for this barbarity. With the Senate just having passed a reconciliation bill to reallocate Planned Parenthood’s funding, every Senator who voted against this measure should be forced to square their vote with this appalling statement. The contrast between the pro-abortion and the pro-life point of view has never been more clear. While Planned Parenthood invites its supporters to imagine a future of ‘free and plentiful’ abortion – because apparently the loss of more than 327,000 unborn babies a year just isn’t enough – we in the pro-life movement invite Americans to believe in a country where every life is cherished and where every child is given a chance to see the light of day.’”

The Christmas Story

by Leanne Guenther

Once upon a time,
A long, long time ago.
Begins the story of a baby,
That most of you should know.

His daddy's name was Joseph,
And Mary was His mom,
This babe was very special
He was God's only Son.

Some angels came from heaven,
And they began to sing.
To the shepherds in the fields below,
"Glad tidings do we bring!"

A bright star lit the heavens,
To light the magi's way,
To the baby in the manger
Who was born on Christmas day.

And all who gathered round Him,
Rejoiced and praised His birth.
For the babe, the King, named Jesus,
Is our Saviour here on earth!

Thank you to Woodland Bible Church, St. James, Holy Rosary & Town & Country Lutheran Church Sacramento for their special events that brought in many diapers, wipes and other necessary items. Our young ladies work very hard for their Mommy Bucks so that they can earn all of these wonderful items that have been donated to PSG. Thank You all for caring so much!

Baby Bottles Success!

This year has been an awesome blessing for our Baby Bottle Boomerang fundraiser. From Pennies to dollars everyone has been so faithful to take our little bottles home, fill them and bring them back so that the clients of PSG can benefit from your generosity.

Thank You!
